THE DESTINATION

THE
OASIS
BY EMAAR

The Oasis by Emaar spanning an impressive 100 million square feet is a testament to a vision of luxury that is both grand and thoughtful.

Home to over 7,000 exquisitely designed residences, each framing serene views of meandering canals and lush green spaces, The Oasis is created to enhance the art of living.

Perfectly Positioned

Located in the southeast of Dubai's vibrant core, The Oasis redefines luxury living. Once known for its serene landscapes and equestrian heritage, this area is now home to opulent developments that elevate Dubai's real estate landscape to new heights.

LUXURY INTERIORS

Refined Sophistication

Step into Lavita and discover interiors where every detail speaks of luxury. Sunlight pours through large windows, highlighting the fine materials and craftsmanship that define each space. From serene master suites to versatile multi-purpose rooms, Lavita's interiors offer a living experience that's as comfortable as it is elegant.

A woman with long brown hair is sitting in a white armchair, reading a large, open book. She is wearing a white t-shirt, beige pants, and a brown belt with a large circular buckle. She has her left hand resting against her head and is wearing small hoop earrings. The background shows a library with dark wooden shelves filled with books. A desk with papers and a lamp is also visible.

Curated for Perfection

A black and white photograph of a woman lying on her back in a dark, shallow body of water. She is positioned horizontally across the frame, with her head at the center. Her arms are raised above her head, with her fingers interlaced and resting against her hairline. Her eyes are closed, and she has a serene expression. The water is dark and reflects the light from above, creating a bright path through the ripples towards her face.
